

SOLUTIONS BUILT FOR YOU.

1611 SANITARY SUPER JET

A JET TO GET YOU THERE.

You're in this business to succeed, and that means moving product as quickly, safely, and profitably as possible. For us, success means providing you a tailored solution to do exactly that. That's why we created and continue to refine the Super Jet—the industry's leading strut-frame pneumatic dry bulk transport. With Heil Trailer's design and engineering, ergonomic controls, and the speed of quick load-up, emptying and cleanout, no matter the application, the Super Jet is the trailer for the speed of your business.

SOLUTIONS-DRIVEN.

CONFIGURATION

5454-H32 aluminum vessel

CAPACITY

1611 Pneumatic - 3 Hoppers

SOLUTIONS-DRIVEN

- Comprehensive product for varying capacities and commodities
- Region- and load-specific engineering
- Customer collaboration in design
- Comprehensive dealer network
- Personal & responsive sales and technical support
- Industry's largest service network with certified and authorized service centers

INDUSTRY LEADERSHIP

- Heil Trailer industry-leading Silver 4-year limited warranty
- Roll Stability System (RSS) standard
- Lean manufacturing

- Exclusive master welder certification school
- Operator safety training

ENDURING PERFORMANCE

- Superior quality components
- Driver-friendly design/ease of use
- Low tare weights for max payloads
- Liquid testing of all tanks
- Long-term durability
- Premium resale value

1611 SANITARY SUPER JET

Heil Trailers are the standard by which all others are judged. Our engineering is uniquely qualified to create real-world solutions to drive your business forward with functional design, ease of use, high efficiency, and legendary durability and support.

Delivering excellence is hard—doing it for more than 100 years is our contract—what generations of loyal customers have come to expect.

THIS IS WHAT IT MEANS TO BE SOLUTIONS-DRIVEN.

CLEANABILITY

- Blowdown line assembled with quick coupling for easy disassembly
- Air line piping designed with sweeps and quick couplings
- Cam-on relief valve coupling for easy disassembly
- Industry leading sanitary components with strategically located quick disconnect connections

OPERATOR ERGONOMICS

- Operating graphics with matching color coded handles
- Upper and lower transition walkways with continuous three-point connection
- Swing-away high efficiency food grade product tees/product line couplings
- Low resistance product valves with ergonomic handles

TANK CONSTRUCTION

- Patented vessel design featuring product flow plates and abbreviated internal reinforcement.
- Machined aluminum struts to evenly distribute the load and prevent cracked frames
- Robust, lightweight aluminum end frames
- Heavy duty Heil Trailer manholes
- Aerodynamic design to reduce drag

WARRANTY AND CUSTOMER SERVICE

- Silver 4-year standard barrel warranty (US/CAN)
- Additional 5 & 7-year barrel warranty available
- Technical support available 24 hours a day
